OFFICIAL COMMUNICATION

Italian quota allocation 2008 Results of the call for tender for the assignment of 180 000 tones of Biodiesel

On September 15th, 2008, the Italian Customs Agency published the result of the call for tender for the 2008 quota assignment for 180 000 tones of biodiesel.

The official document of assignment of the Italian 2008 quotas has been draft in accordance with the Art 22 Bis, 1st comma, of the D.I. 504/95, and the Italian 2007 – 2010 multi-annual program.

Following the call for tender announcement also made public on the EBB website (579/ITA/07), 36 companies expressed their interest.

After analyzing the applications, the Italian Customs Agency decided as follows:

The Italian Customs Agency **approved the applications** of the following companies and allocated the quotas as in the table below:

Among the companies in Table 1, the Italian Customs Agency **approved with reserve** the applications of the following companies, in accordance with **Art 3.** of the official publication of quota assignment. This article provides that the Italian Customs Agency will pursue further necessary controls to establish if the prerequisite conditions (in accordance with the rules for compliance with the indications in the Italian Decree D.M. 256/03 and of the assignment call for tenders 17445/2008) have been fulfilled by the companies listed in Table 2 below.

The details of the controls will be sent to each company individually.

- In the case that the company fulfils the prerequisites, the positive result will be sent directly to it and the company will be de facto assigned the quotas in Table 1.
- In the case that the company does not fulfil the prerequisites, its participation to the quota assignment will be excluded and the quotas in Table 1 will be recalculated.

The Italian Customs Agency **refused the applications** for the following companies on the grounds of non compliance with the indications in the Italian Decree D.M. 256/03 and of the assignment call for tenders 17445/2008:

1. Adm Mainz
2. Biodiesel Com
3. Biodiesel Wittenberge
4. Bionet Europa
5. Bioro
6. Cargill
7. Prio Biocombustiveis SA
8. SC Prio Biocombustivil SRL

The Italian Customs Agency **refused the application** of the company Foreo Bio, due to the fact that by the imposed deadline of the call for tenders 17445/2008, the above mentioned company does not produce nor commercializes biodiesel therefore it doesn't respect the participation prerequisites mentioned in the Art 3, 1st comma of the Italian Decree 256/03.
